Before the expiration of the time limit for amending the claims and to be republished in the event of the receipt of amendments.</p>	
<p>(54) Title: DETERGENT TABLET</p> <p>(57) Abstract</p> <p>A detergent tablet is characterised in that at least part of its outer surface is semi-solid. In another aspect, the invention also relates to a process for washing a substrate (e.g. a fabric or cooking ware item) comprising the first step of providing a substrate and a detergent tablet, a second step of rubbing the detergent tablet onto the substrate and a third step of inserting the substrate and the tablet in a washing machine, the wash taking place normally thereafter.</p>
